91st ASSEMBLY – 2026 – TEACHINGS

SÃO PAULO – MARCH 31 TO APRIL 05, 2026

THESE MEETINGS WERE OPENED IN THE NAME OF THE LORD JESUS

TEACHINGS ABOUT MUSIC

Mus. 01 - CLOSING HYMN – ORCHESTRA PLAYS ONE VERSE AFTER END OF SERVICE

In all houses of prayer, for any divine service held, we must hold to the previous teachings where musicians play only 1 verse of the hymn and a chorus if there is one.

Mus. 02 - REHEARSALS WITH THE BRETHREN

These may be held during a service, with prior agreement and communion with the Ministry. The liberty for testimonies will be suspended (about twenty minutes), in order to adjust the congregation's singing to the sound level, the orchestra's tempo, and the expression of the hymns. We should not hold a specific rehearsal for the congregation outside of a service.

Mus. 03 - NUMBER OF ELECTRONIC ORGANS IN SERVICES AND REHEARSALS

Only a single electronic organ must be used in any service, including Regional Musical Rehearsals and Meetings for the Youth.
